

Longarm Quilting Fillers Class

Lynn Rinehart

lynn@thestitchtvshow.com

Class Description

Discussion and application of different types of background fillers.

Project

The project will create a sampler of various free motion background fillers for use in long arm quilting.

Duration

Full day

Skills to learn in class

- Using various types of free motion background fillers
- Selecting fillers for the space
- Tracing using templates
- Simple ruler work

Supply list

- ½ yd of solid white or solid black fabric
- A straight line longarm ruler (note: this is not the same as a ruler used for cutting fabric; longarm rulers are much thicker)
- Notebook with plain paper to sketch designs and take notes
- 3 different colors of thread that show up against the background fabric
- 1 thread color that matches the background fabric
- 1 yard for backing
- 24 x 24 approximately batting scrap
