

# Longarm Thread Painting Class

Lynn Rinehart

[lynn@thestitchtvshow.com](mailto:lynn@thestitchtvshow.com)

## Class Description

Discussion and application of longarm thread painting techniques.

## Project

The project will create a picture that has been enhanced with thread painting using the longarm quilting machine. There will be choices of images to work with for the class.

## Duration

Full day

## Skills to learn in class

- Image selection
- Selecting and using different threads to create and enhance a picture
- Longarm quilting techniques and tips

## Supply list

- ½ yd of white 100% cotton fabric, on which you can trace images
- Notebook with plain paper to sketch designs and take notes
- Variety of different weights and colors of thread to help create and enhance image. Suggested colors: green, reds, yellows, purples, blues
