

## THE STITCH TV SHOW PATTERN CATALOG

The Stitch TV Show is the first online quilt talk show, founded in August 2015 for technology-savvy quilters seeking community and a way to expand their quilting skills and knowledge. Friends and co-hosts Lynn Rinehart and Pam Cobb chat about current topics in the quilting world, quilt design and techniques, and fun stories about their quilts.

Our pattern catalog is available wholesale to quilt shops direct from us at [shop.thestitchtvshow.com](http://shop.thestitchtvshow.com), as well as through select distributors. Email us at [info@thestitchtvshow.com](mailto:info@thestitchtvshow.com) with questions.
